

Product Features

- suitable for Stop Valves with flange connection e.g. figure 135 (in DN 65 and DN 80 identical with E010117302065KP respectively E010117302080KP)
- incl. EPDM-bonnet gasket
- wetted metal parts made from dezincification-free and corrosion-resistant gunmetal, resistant against aggressive water
- maintenance-free spindle sealing with self-lubricating and under pressure replaceable EPDM-lip gasket
- EPDM-seat gasket

Standards and Approvals

- according to accepted materials list from German environmental agency
- for valves acc. DIN 3502

Part no.	for DN	kg
